

CENTER SLIDES FOR GOOGLE

Reading & Math

These Reading and Math Center Slides are made specifically for use with **Google**

They are an **easy way** to **manage** center time without the stress.

SELECT EACH ICON YOU NEED. COPY THEM TO YOUR CLIPBOARD, THEN PASTE INTO THE CENTER TEMPLATE

There are icons for both **math** and **reading** allowing you to create **any rotation** you would like

There are also **editable** pieces if there is an icon you are needing that is not on the list.

SELECT EACH ICON YOU NEED. COPY THEM TO YOUR CLIPBOARD, THEN PASTE INTO THE CENTER TEMPLATE

GUIDED MATH	TEACHER TIME	TECHNOLOGY	MANIPULATIVES	HANDS ON!	MONEY	MAKE YOUR OWN! SIMPLY CLICK THE BOX, CHANGE THE TEXT AND ADD YOUR OWN CLIPART

Why do you need this?

Use these slides as a way to **gain control back** during your center time.

The digital timer is a **great visual** for students to see how much time is left in their rotation as well as where they will be going next.

Add some FUN to your center time
