

FIRST GRADE HALLOWEEN MATH GAMES

5 easy to use math games that make the perfect center activities to review skills you've been learning.

This set of **Halloween math centers** includes the following skills aligned to CCSS and TEKS:

- Place value + expanded/standard form of numbers
- Comparing numbers
- Sums of a multiple of 10 plus a number
- Composing 10 with 2 or more addends
- Joining/separating word problems

Each game included gives practice with a different standard!

Why do you need this?

Center time is the perfect way to give your students that **extra practice** they're needing with all the math skills you have been learning.

Allow your students to **master** important reading skills with **confidence** using fun and **engaging games** in October. All the games are **low-prep** making them a great addition to your **classroom routine**.

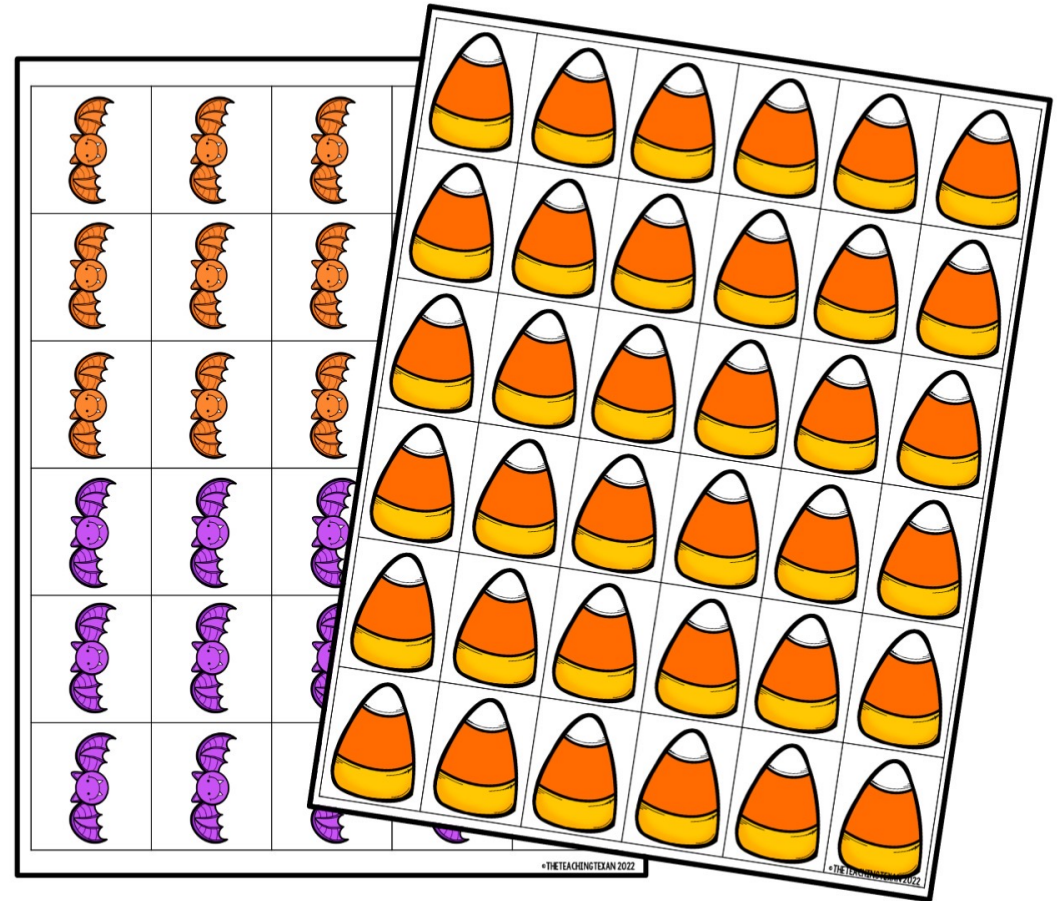

Super Simple to Set-Up & Use!

Mini eraser fan? Print your games and put your mini erasers to good use!

All games are made to require minimal preparation to be used!

All games also include **PRINTABLE** themed counters making them extremely low-prep and easy to use.

Save time planning centers all year

Want to give your students center activities they'll love all year?

The collage features several educational activities:

- Top Left:** A large title "FIRST GRADE CENTER BUNDLE" with "CENTER BUNDLE" in large, colorful, outlined letters. Below it, a red banner reads "Reading & Math Games".
- Bottom Left:** A Halloween-themed math game titled "ADDING TENS & BONES". It features a grid of addition problems (e.g., $10+7$, $50+9$, $30+4$) and a central illustration of a skull wearing sunglasses. The grid is decorated with Halloween icons like pumpkins and skeletons.
- Top Right:** A snow-themed subtraction game titled "SNOWBEND SUBTRACTION". It includes a grid of subtraction problems (e.g., $2-11$, $9-5$, $7-3$) and a central illustration of a snowman. The grid is decorated with snowflakes and winter icons.
- Bottom Right:** A turkey-themed math game titled "TURKEY TROT". It includes a grid of math problems (e.g., $4-9$, $7-6$, $3-5$) and a central illustration of a turkey. The grid is decorated with turkey-related icons.

At the bottom of the collage, there are several small cards with numbers (7, 5, 2, 1, 3, 6, 0) and a small "TEXAS" logo.

Themed Centers for the WHOLE Year!

Grab the YEAR LONG Bundle and get themed centers for reading AND math each month!
