

KINDERGARTEN HALLOWEEN

5 easy to use math games that make the perfect center activities to review skills you've been learning.

This set of **Halloween math centers** includes the following skills aligned to CCSS and TEKS:

- addition
- subtraction
- one to one correspondence
- counting
- subitizing

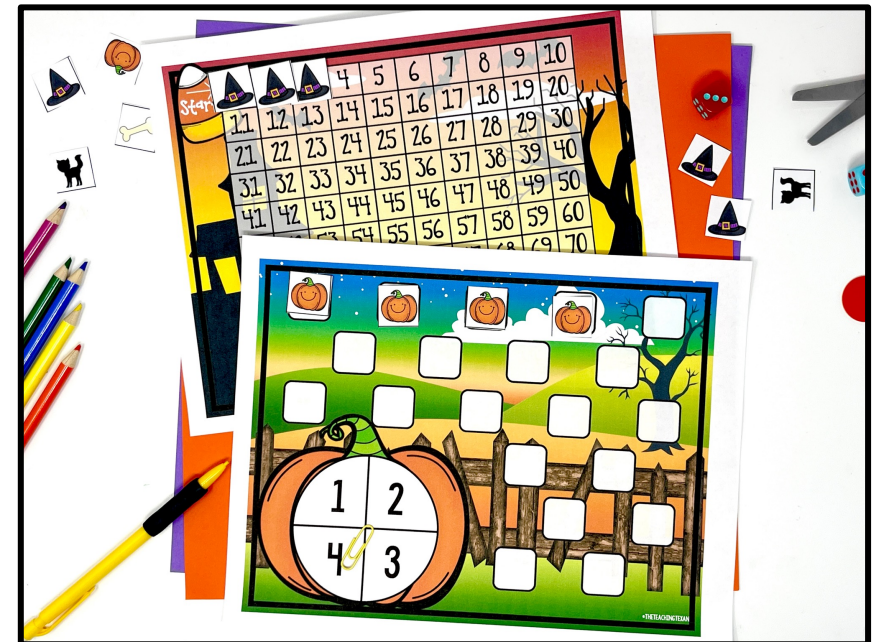

Each game included gives practice with a different standard!

Why do you need this?

Center time is the perfect way to give your students that **extra practice** they're needing with all the math skills you have been learning.

Allow your students to **master** important math skills with **confidence** using fun and **engaging games** in October. All the games are **low-prep** making them a great addition to your **classroom routine**.

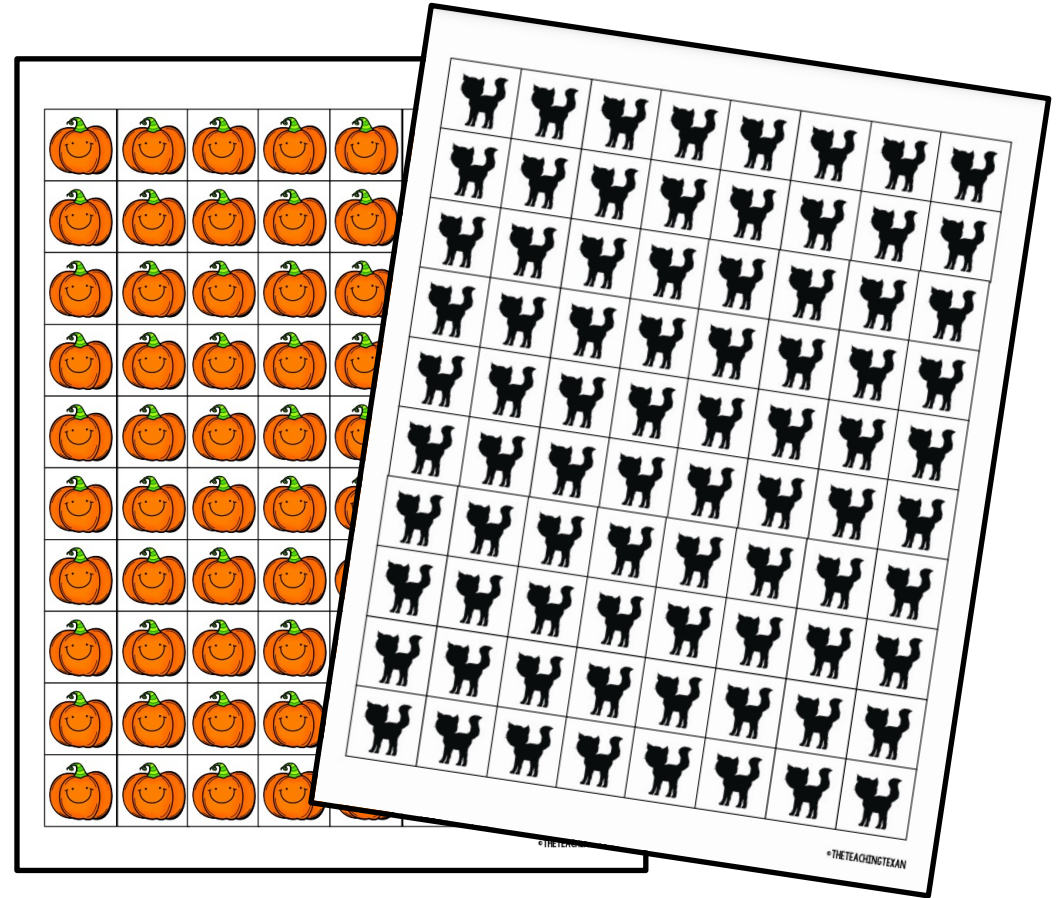

Super Simple to Set-Up & Use!

Mini eraser fan? Print your games and put your mini erasers to good use!

All games are made to require minimal preparation to be used!

All games also include **PRINTABLE** themed counters making them extremely low-prep and easy to use.
