

# KINDERGARTEN THANKSGIVING MATH GAMES

5 easy to use math games that make the perfect center activities to review skills you've been learning.

This set of **math Thanksgiving centers** includes the following skills aligned to CCSS and TEKS:

- shapes
- skip counting
- numbers
- one-to-one correspondence
- one more and one less

Each game included gives practice with a different standard!

# Why do you need this?

Center time is the perfect way to give your students that **extra practice** they're needing with all the reading skills you have been learning.

Allow your students to **master** important reading skills with **confidence** using fun and **engaging games** in November. All the games are **low-prep** making them **a great addition** to your classroom routine.

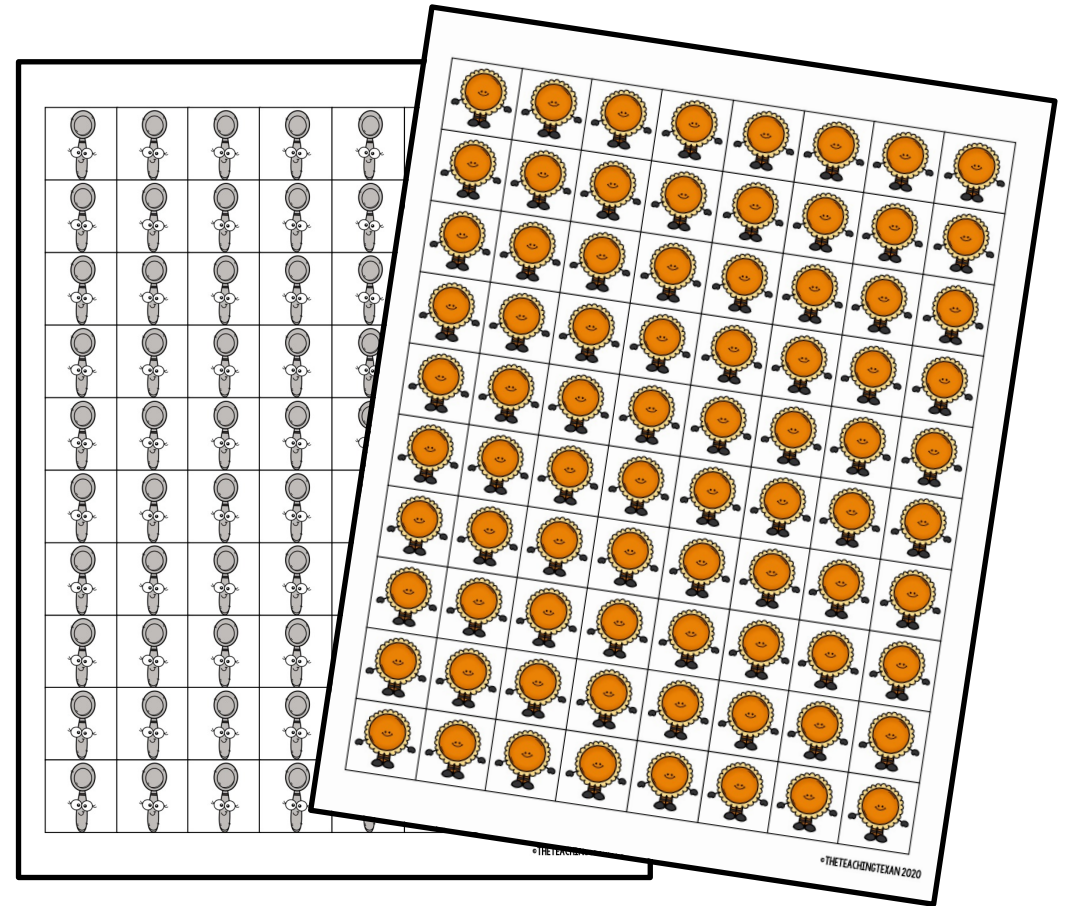

# Super Simple to Set-Up & Use!

Mini eraser fan? Print your games and put your mini erasers to good use!

All games are made to require minimal preparation to be used!

All games also include **PRINTABLE** themed counters making them extremely low-prep and easy to use.

# Save time planning centers all year

Want to give your students center activities they'll love all year?

Grab the YEAR LONG Bundle and get themed centers for reading AND math each month!

# Teachers like you who have used this resource said...

**DANIELA V.** ★★★★★

I used this during our morning Brain Time centers and the students chose the activities frequently because they were fun.

**MEHELLE C.** ★★★★★

These centers were an excellent way for my struggling learners to obtain some extra practice in all areas of math. They enjoyed working on the centers. I can't wait to use them again next year.

**EILEEN V.** ★★★★★

Great resource for my kindergarten students. It was used in class and was well received by students and parents.
