

# PRE-K WINTER

5 easy to use math games that make the perfect center activities to review skills you've been learning.

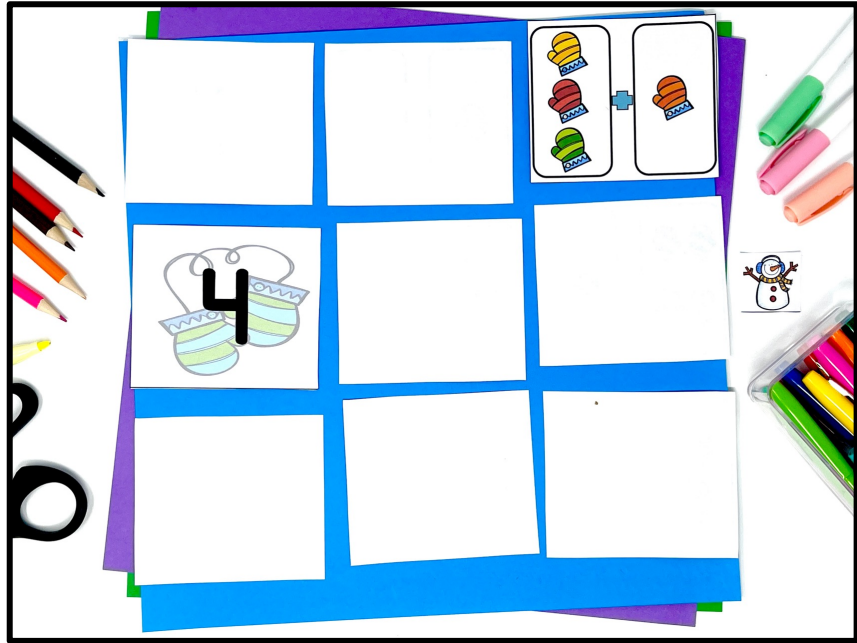

This set of **winter math centers** includes the following skills aligned to CCSS and TEKS:

- patterns
- shapes
- identifying numbers in different ways
- addition
- number ID

Each game included gives practice with a different standard!

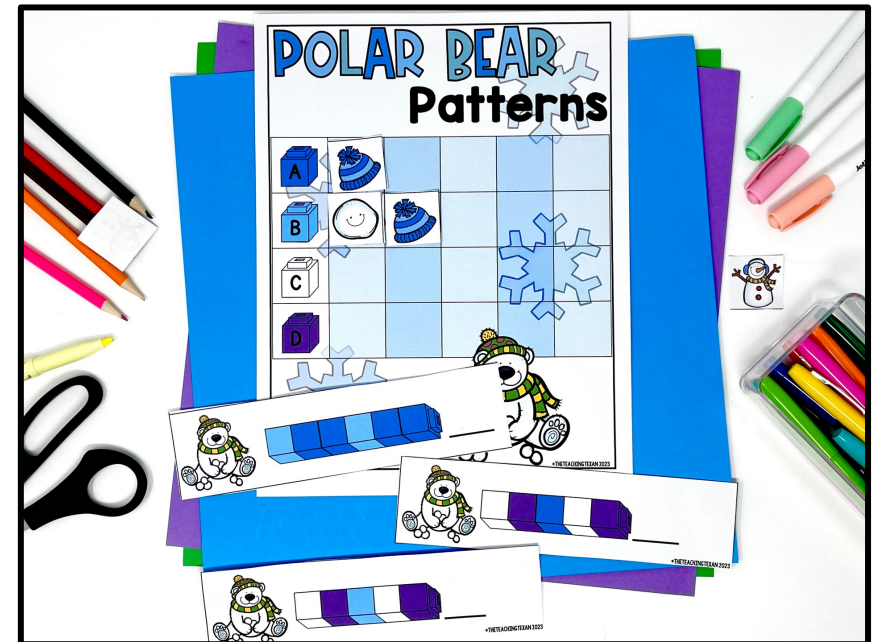

# Why do you need this?

Center time is the perfect way to give your students that **extra practice** they're needing with all the math skills you have been learning.

Allow your students to **master** important math skills with **confidence** using **fun and engaging** games in December. All the games are low-prep making them a **great addition** to your **classroom routine.**

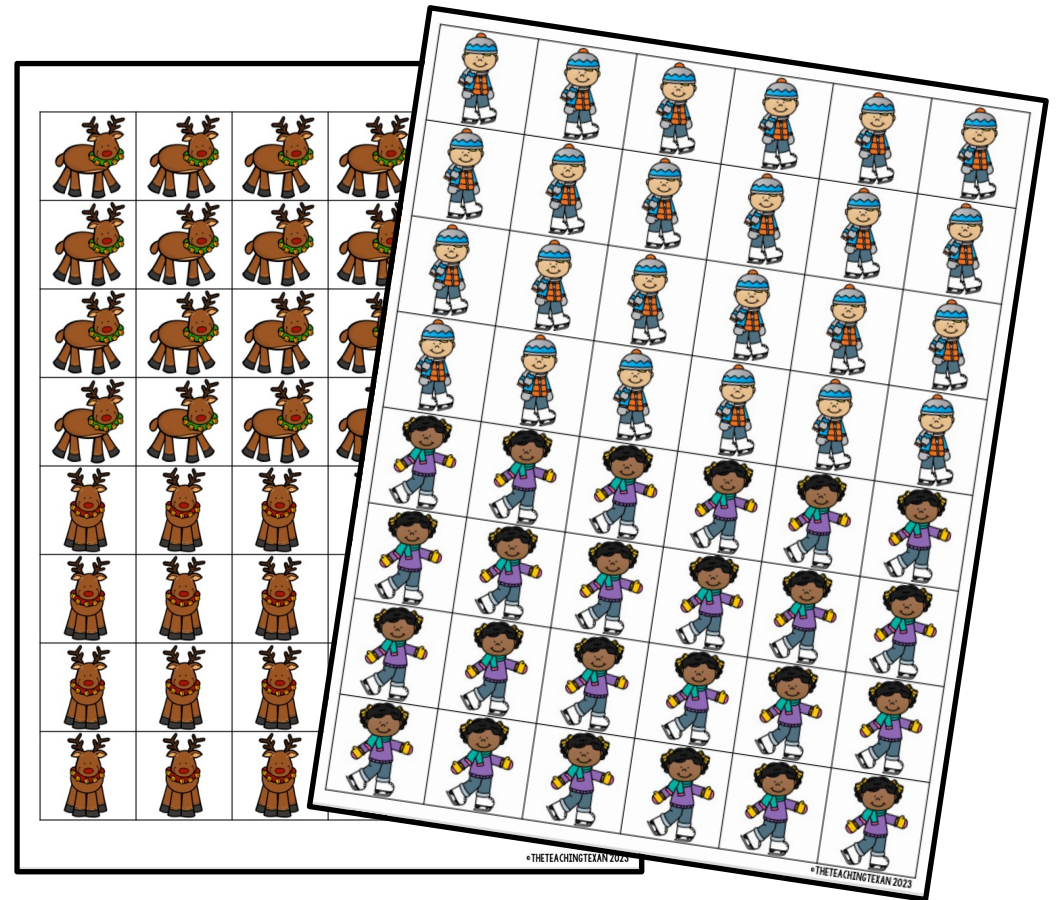

# Super Simple to Set-Up & Use!

Mini eraser fan? Print your games and put your mini erasers to good use!

All games are made to require minimal preparation to be used!

All games also include **PRINTABLE** themed counters making them extremely low-prep and easy to use.

# Save time planning centers all year

**PRE-K CENTERS**  
GROWING BUNDLE
