

SECOND GRADE NEW YEARS MATH GAMES

5 easy to use math games that make the perfect center activities to review skills you've been learning.

This set of **New Years math centers** includes the following skills aligned to CCSS and TEKS:

- Addition with 3 - 4 two-digit numbers
- Determining even or odd numbers
- 3 digit subtraction
- Measurement - answering word problems & measuring to the inch
- Creating 3-digit numbers

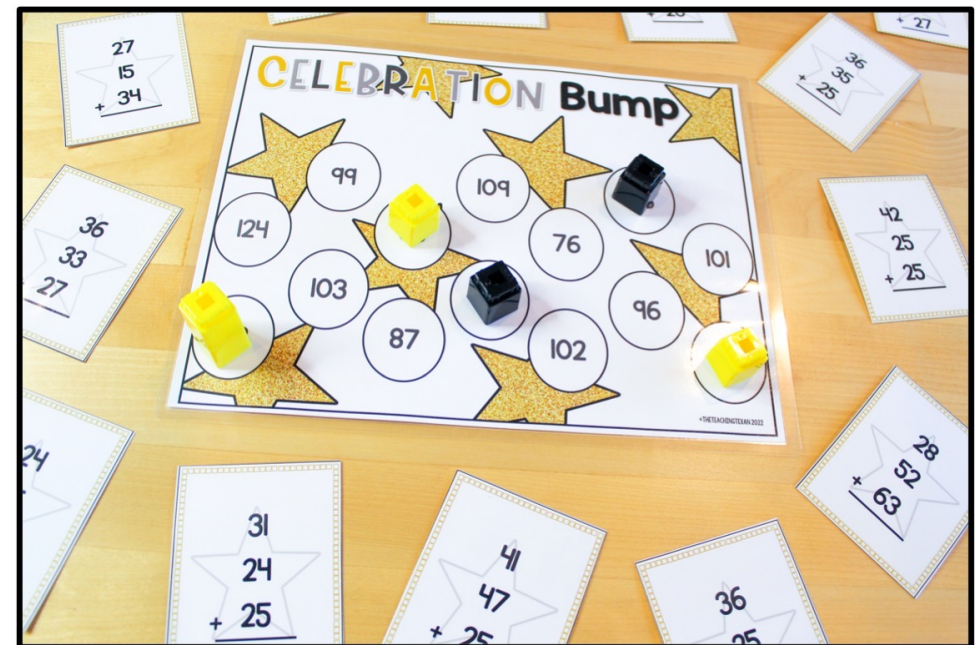

Each game included gives practice with a different standard!

Why do you need this?

Center time is the perfect way to give your students that **extra practice** they're needing with all the math skills you have been learning.

Allow your students to **master** important reading skills with **confidence** using fun and **engaging games** in January. All the games are **low-prep** making them a **great addition to** your classroom routine.

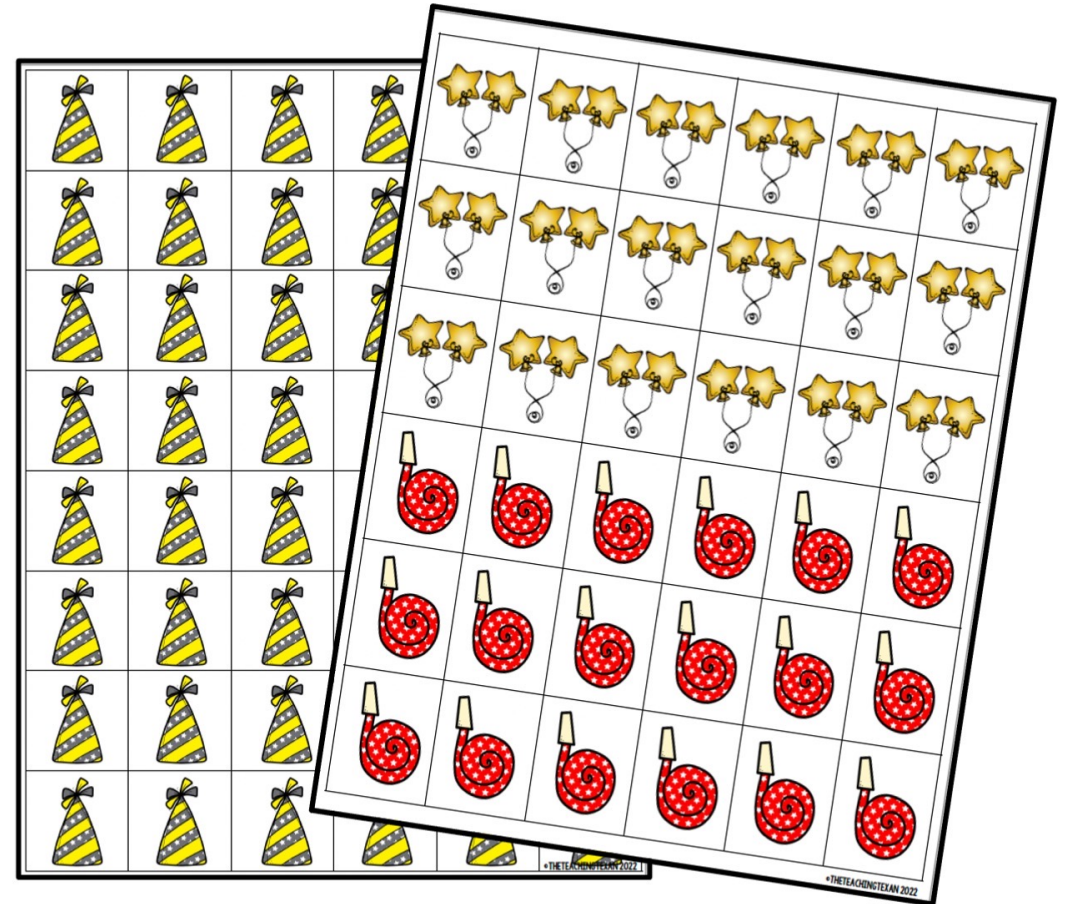

Super Simple to Set-Up & Use!

Mini eraser fan? Print your games and put your mini erasers to good use!

All games are made to require minimal preparation to be used!

All games also include **PRINTABLE** themed counters making them extremely low-prep and easy to use.

Save time planning centers all year
