

# KINDERGARTEN SUMMER

5 easy to use math games that make the perfect center activities to review skills you've been learning.

This set of **summer math centers** includes the following skills aligned to CCSS and TEKS:

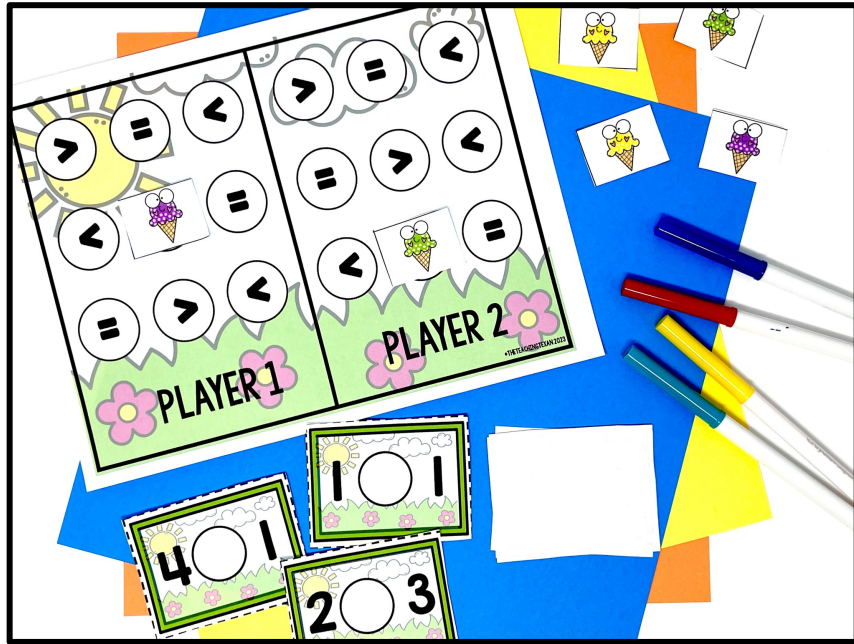

- addition
- teen numbers
- matching numbers to sets of objects
- greater than, less than
- making a 10

Each game included gives practice with a different standard!

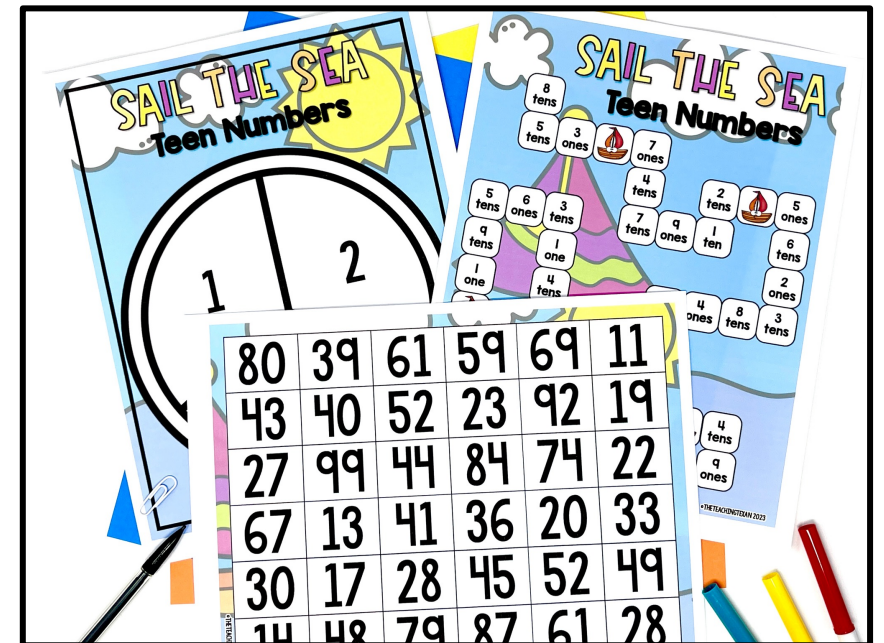

# Why do you need this?

Center time is the perfect way to give your students that **extra practice** they're needing with all the reading skills you have been learning.

Allow your students to **master** important reading skills with **confidence** using fun and **engaging games** in May and June. All the games are **low-prep** making them a great addition to your **classroom routine**.

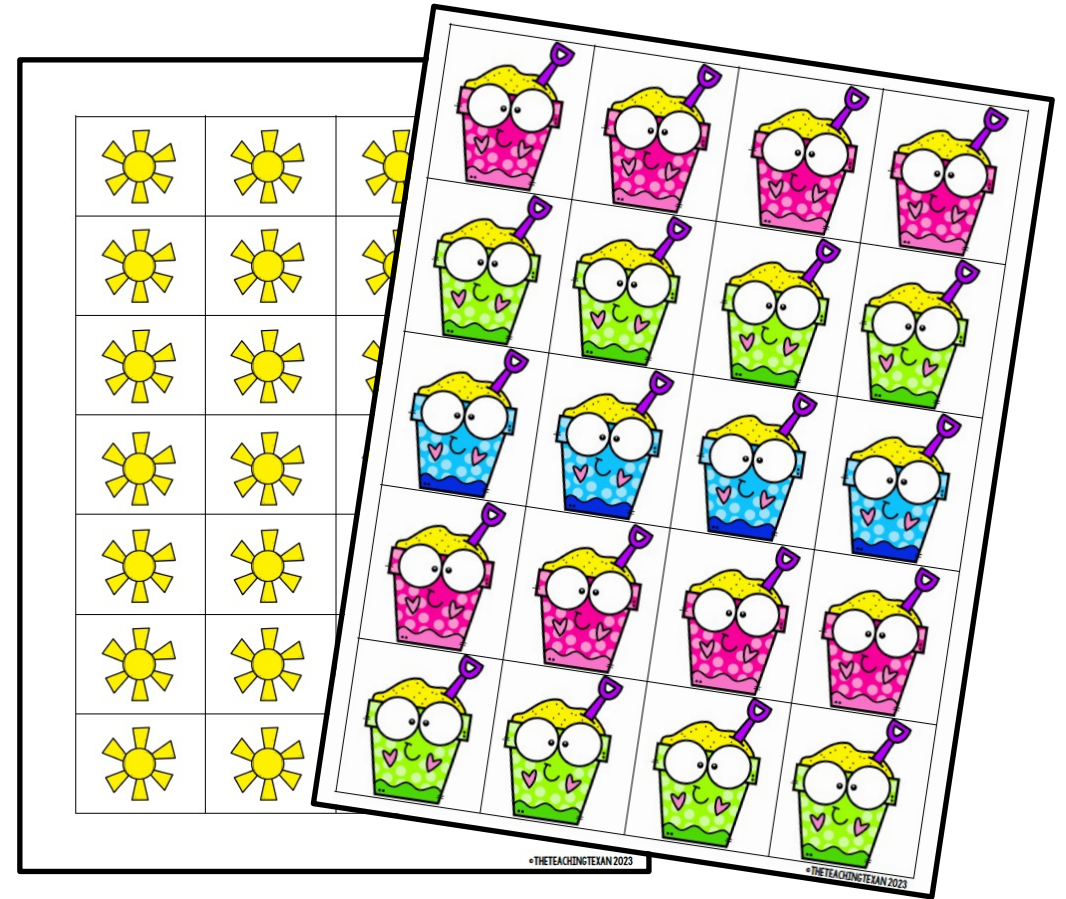

# Super Simple to Set-Up & Use!

Mini eraser fan? Print your games and put your mini erasers to good use!

All games are made to require minimal preparation to be used!

All games also include **PRINTABLE** themed counters making them extremely low-prep and easy to use.
