

# FIRST GRADE BACK TO SCHOOL

5 easy to use math games that make the perfect center activities to review skills you've been learning.

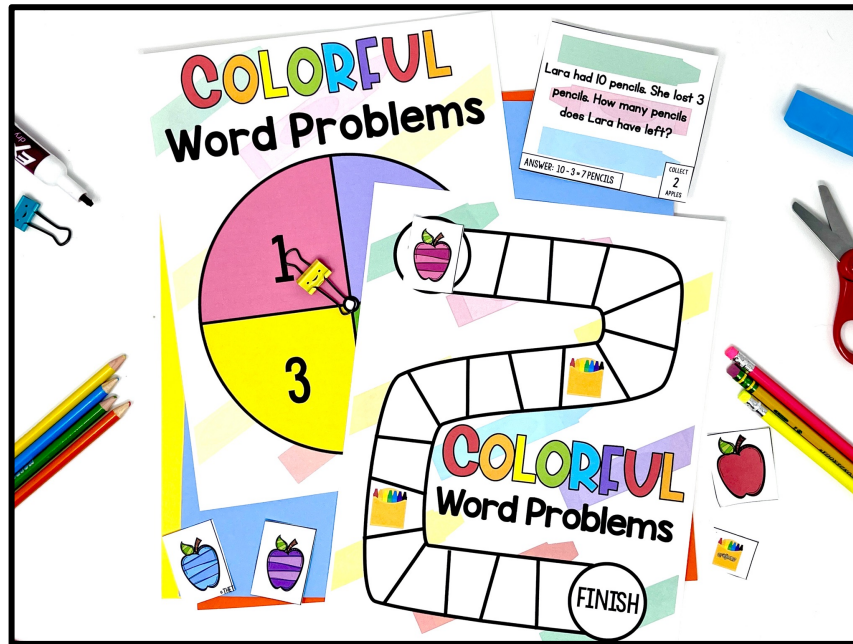

This set of **back to school math centers** includes the following skills aligned to CCSS and TEKS:

- measurement
- greater than, less than
- addition / subtraction word problems
- counting to 120
- subitizing

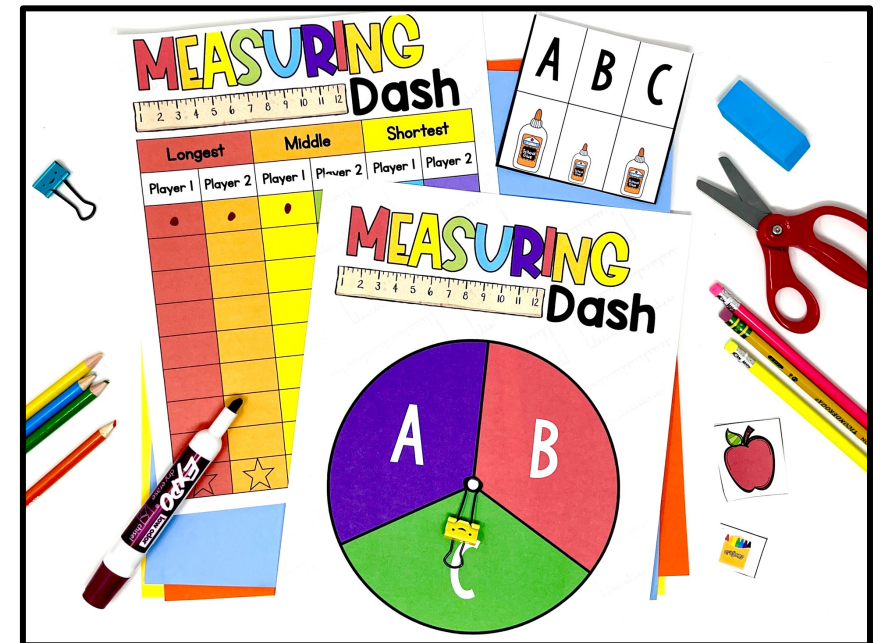

Each game included gives practice with a different standard!

# Why do you need this?

Center time is the perfect way to give your students that **extra practice** they're needing with all the reading skills you have been learning.

Allow your students to **master** important reading skills with **confidence** using fun and **engaging games** in August & September. All the games are **low-prep** making them a great addition to your **classroom routine**.

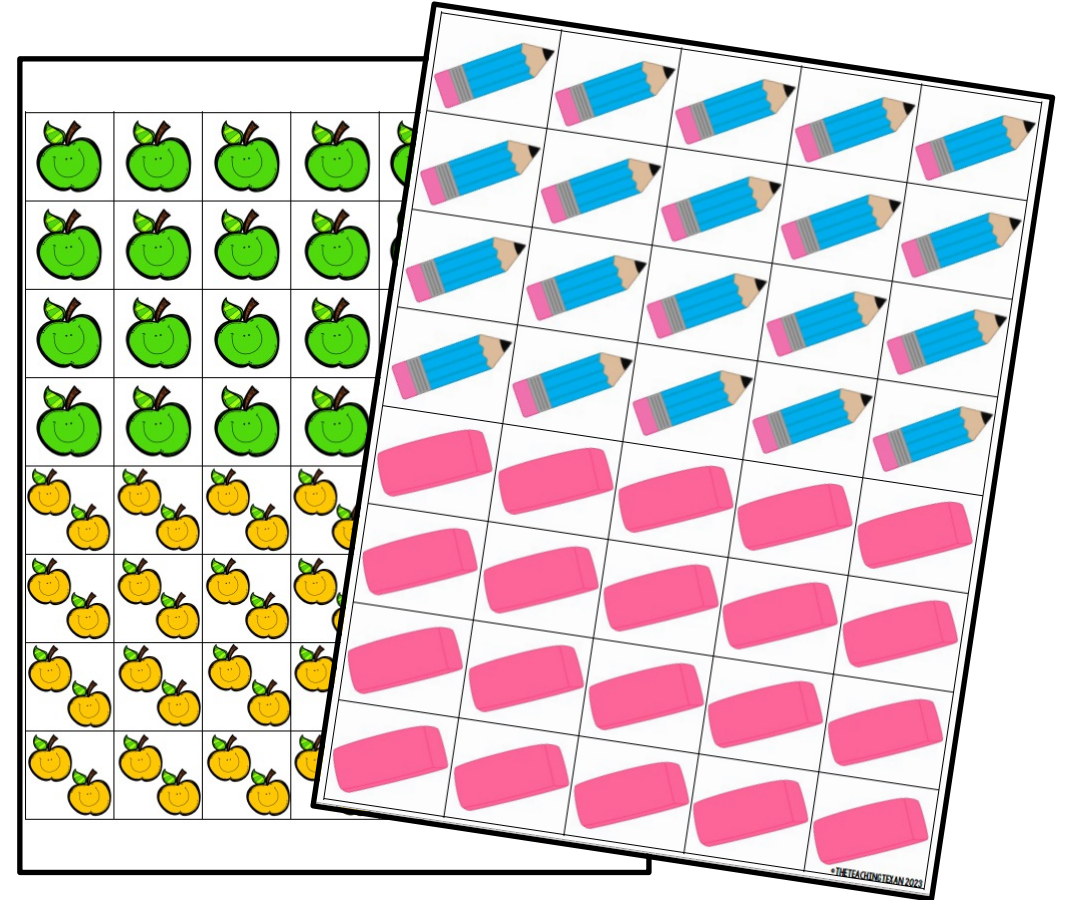

# Super Simple to Set-Up & Use!

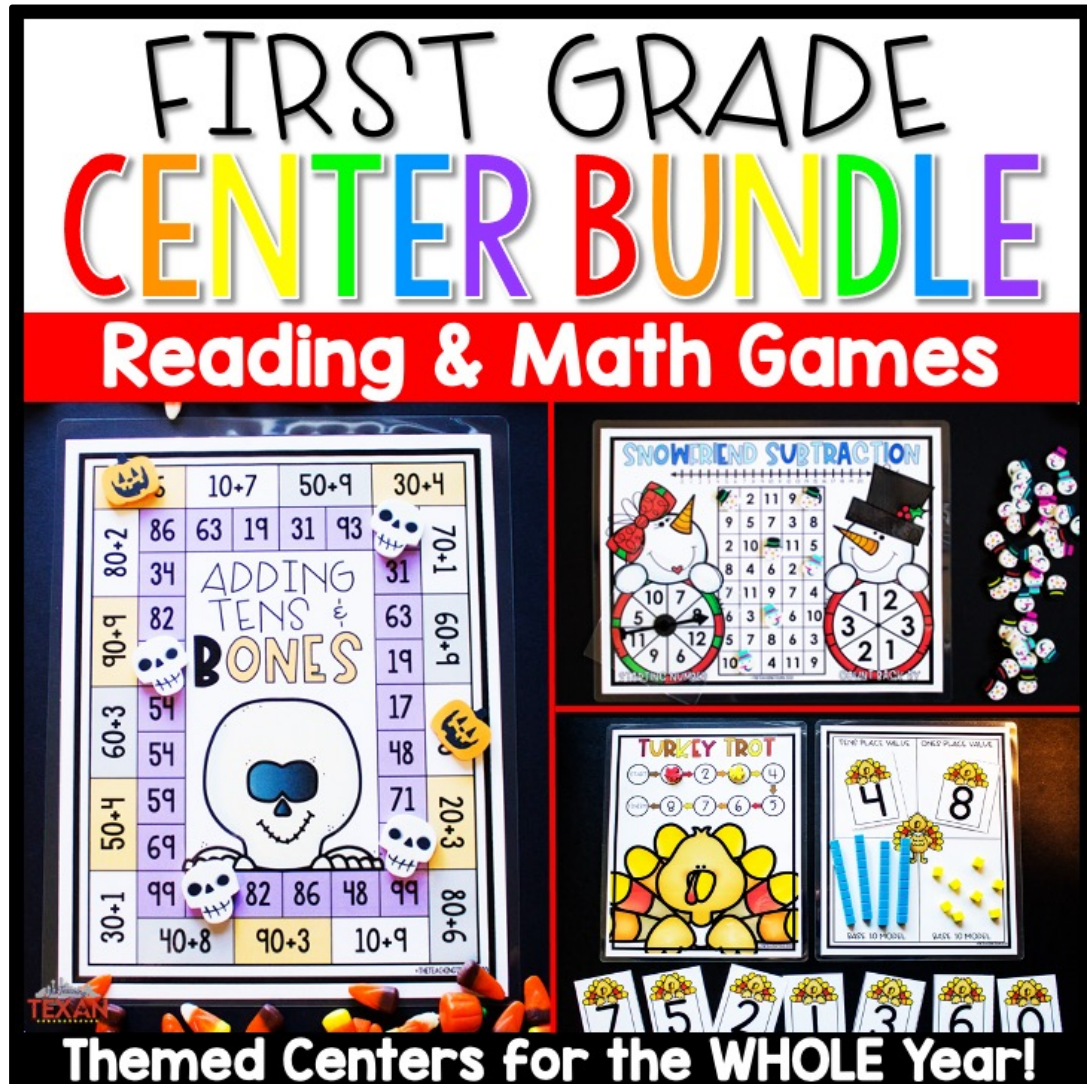

Mini eraser fan? Print your games and put your mini erasers to good use!

**All games are made to require minimal preparation to be used!**

All games also include **PRINTABLE** themed counters making them extremely low-prep and easy to use.

# Save time planning centers all year

Want to give your students center activities they'll love all year?

Grab the **YEAR LONG** Bundle and get themed centers for reading **AND** math each month!
